1 A place name followed by a symbol indicates that the place is consecutive with a MCD. An "A" indicates that the place is also in the MCD. In both cases, the MCD name is shown only when it differs from the place name.

2 A VTD is a Voting District. It is a geographic entity, not a political unit. Its existence indicates that the VTD is a pseudo voting district or no information is available as to its status.

3 A "•" following a block number indicates that the block number is repeated elsewhere in the block.
